

Kaleidoscope

Call for contributions !

To all Wirral 3Ls members

Would you like to contribute to the next issue of Kaleidoscope? The 3Ls magazine will be available in print and online at the end of November and we are looking for poems, creative writing, artwork, photography and reports of 3Ls events and trips. We would love to hear from you!

Please send your submissions (with photos please) to:

kaleidoscope@wirral3ls.co.uk or pass them into the Office.

The deadline is **FRIDAY 30TH OCTOBER** (end of the first week of half term).

Articles should be approximately **150-250 words** for the print edition of the magazine. We may be able to use longer pieces online. Please include photos if appropriate (with captions). We prefer Word documents or JPEG images, but will try to work with whatever format you use.

We are happy to refine, sense-check and proofread stories, if you would like help. Creative writing and poetry will appear in full. We can't promise to include everything but will try to do so. The editors' decision is final. If you would like to run any thoughts or ideas for the magazine past us first, please drop us a line.
